

FINANCIAL INFORMATION EXPLANATION 2020-2021

Cypress Adventist School operation is dependent on tuition and fees, church subsidies from three supporting churches (Edmonds, Shoreline and Green Lake) and subsidies from the Washington Conference of Seventh-day Adventists. Members of the stated churches support Cypress financially by paying offerings and tithes and thus receive a member discount. Members who belong to a Seven-day Adventist church that does not support the school financially pay a slightly higher rate. Other members of the community pay the full tuition rate.
